

Unilux

The Steiss Unilux sling is a general-purpose sling with deluxe 'paddle' style legs for increased comfort and support. Integrated low-friction rip-stop nylon to the leg and spine sections ensures easy application and helps to reduce the risks associated with tissue viability.

- ✓ Optional detachable head support
- ✓ Colour coded binding indicates sling size
- ✓ Positioning handles allow easy patient repositioning
- ✓ Coloured attachment loops promote correct/safe positioning
- ✓ Modesty loop helps protect patient dignity during transfer
- ✓ Can be customised to fulfil patient specific needs
