

Standing

The Steiss Standing sling is suitable for those patients who have a greater degree of weight bearing ability. It allows excellent access for toileting and is easy to fit, providing quick and effective transfers.

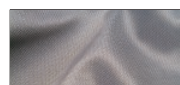

- ✓ Fully padded design offers excellent comfort
- ✓ Coloured attachment loops promote correct positioning
- ✓ Non-slip back section ensures the sling does not 'ride up'
- ✓ Adjustable waist strap for added support and security
- ✓ Can be customised to fulfil patient specific needs
